

Breakout 2: Making Value Management work for your local context

Carolyn Aitken, Improvement Coach, NHS Tayside

Improvement Hub

Enabling health and social care improvement

Digital Visual Management Boards

•Allows huddles to be held remotely via MS Teams

•Documentation can be updated in 'Real Time'

 Digital board can be structured to support flow of huddle

| | Digital Value Management Board | | | | | | | | | | | | |
|--|--------------------------------|--|--|--------|--|--|------------|--|--|----------|--|--|--|
| | | | | | | | | | | | | | |
| | Quality | | | Safety | | | Experience | | | Capacity | | | |
| Nim (be specific and clear about what you are trying to achieve. What is the aim and what will be neasured) | | | | | | | | | | | | | |
| Measure (what are you measuring outcome/process/balancing neasure. Specify unit of neasurement (%, days, number etc | | | | | | | | | | | | | |
| Data Collection (who collects it, when, where is the data coming rom and sample size) | | | | | | | | | | | | | |
| | | | | | | | | | | | | | |
| | | | | | | | | | | | | | |
| | | | | | | | | | | | | | |
| | | | | | | | | | | | | | |

Activity

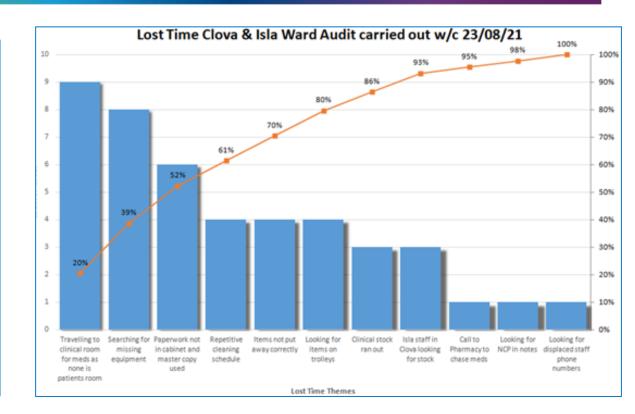

Do you feel Digital Visual Management Board could work in your local area?

- •What would be the benefits?
- •What would be the barriers?

Lost Time Exercise

- A softer way to focus on Capacity measures
- Introduces Pareto tool
- Let's team easily see where they show focus improvement efforts
- Team activity

Activity

Can you think of how a Lost Time exercise could improve capacity in your workplace?
